

Obstetrician & Gynaecologist

The Department of Obstetrics & Gynaecology, Queen's University at Kingston has an opening for an adjunct position to practice in Brockville, Ontario. The position will involve clinical practice in obstetrics and gynaecology as well as undergraduate and postgraduate teaching. Expertise in laparoscopic surgery is essential. The position offers the opportunity to work with a dynamic team of three Obstetrician/ Gynaecologists, with Paediatric provider support. A one-in-four on call commitment is required. In hospital, turnkey office space is available. Candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario and have certification by the Royal College of Physicians and Surgeons of Canada.

Preference will be given to applicants whose CV and letters of reference can attest to the applicant's ability to work in an interdisciplinary and collaborative environment; and to contribute to the clinical activity of the Division.

If you are interested in a challenging and rewarding clinical/academic career in the unrivalled beauty of the Thousand Islands and wish to find out more about the department and Brockville General Hospital, visit our websites <https://obgyn.queensu.ca/> and <https://www.brockvillegeneralhospital.ca>.

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please inform us and we will make arrangements. All qualified candidates are invited to apply; however, Canadian citizens and permanent residents will be given priority.

Review of applications will continue until the position is filled. Please direct applications including curriculum vitae, and the names and addresses of three referees, in confidence to:
