

It is important that you do not miss your appointment!

If you are unable to make your scheduled appointment, please call
Monday to Friday between 8:00 am and 3:30 pm

(613) 345-5649 ext. 51300

If before your appointment you think you are getting worse, please return to the Emergency Department for reassessment. Make sure you have discussed this and any other questions you have with the ER doctor or Nurse before you leave the ER.

**Brockville General Hospital
General and Internal Medicine Clinic**

Patient Name: _____

Appointment Date: _____

Appointment Time: _____

Please report to Central Registration and then proceed to the Ambulatory Care Unit (ACU) on 3rd floor.

Clinic: (613) 345-5649 ext. 51300

Please bring your health card and an up-to-date list of current medications.

Directions

The General and Internal Medicine Clinic is located on the 3rd floor of the Brockville General Hospital at 75 Charles Street.

When you arrive for your appointment, please enter the main building of the hospital and register at central registration. From there they will direct you to the Blue Elevators. Proceed to the 3rd floor and notify the volunteer or nursing station that you have arrived.

Family Doctor or Nurse Practitioner

Your family doctor is the best way to access medical care and acts as the central person in our overall healthcare. If you do not have a family doctor, we strongly advise you to get one. You can find help online or by calling Healthcare Connect Ontario at 1-800-445-1822.

Members of your healthcare team may include:

Internal Medicine Physician
Nurse Practitioner
Social Work
Nursing

General Information

- Your visit may take 1-2 hours
- You may have additional tests completed while you are in the clinic (ECGs, lab work, etc.)
- The internal medicine team may schedule additional tests and consultations

What is your role

Please arrive 15 minutes prior to your appointment to allow for registration with the clinic.

Please bring with you the following items:

- Ontario Health Card or other coverage
- ALL of your medications (including puffers/inhalers, vitamins and over-the-counter medicines)
- Any other personal care items you require or normally use during the day
