

Internist

[Brockville General Hospital](#) invites applications from interested and qualified candidates for the role of Internist, with opportunities to support our Hospitalist Team and/or provide subspecialty services. Full-time, part-time and locum positions are available including entry-to-practice opportunities for new graduates. Successful candidates will join a team of dynamic physicians focused on providing safe, effective care in a collaborative and collegial environment.

Brockville General Hospital is an estimated 172-bed hospital in the city of Brockville, which is 45-minutes from Kingston and an hour from Ottawa. Brockville General is the largest hospital in Lanark or Leeds and Grenville County, serving a catchment area of 250,000. Located in the beautiful Thousand Islands Region, we are the perfect place to practice and play.

Practice Profile

The practice environment is comprised of 52+ acute medicine beds (which increase when surge spaces are utilized) and 54 rehabilitation beds with multidisciplinary teams including physiotherapy, rehabilitation therapy, occupational therapy, speech language pathology, social work, dieticians, discharge planning, and wound care.

Specialized in-house services at Brockville General include GIM, general surgery, urology, radiology, psychiatry, orthopedics, and palliative as well as a 10-bed, level 3 ICU and certified stroke center. Brockville General is also equipped with ultrasound, 24/7 lab including tele-radiology, XR, CT and an MRI. Cerner EMR was recently launched as part of the Lumeo regional initiative. Both Ottawa and Kingston serve as tertiary referral centers.
